

'NATURE ON YOUR DOORSTEP' WALK – SATURDAY 24TH MAY @ 10.30

Meet at 10.30 – Kenny Drive Entrance – Queen Mary's Park

Led by Doug Shaw, local artist & nature enthusiast & regular QMP user.

This is a free family friendly activity, organised by the Friends Group of Queen Mary's Park, that is open to all ages.

Doug has been recording details of different nature sightings in the park now for several years. We look forward to joining him to learn more about nature right here in the park. We will spend about an hour together depending on how full of life the park is on the day.

Please feel free to bring your binoculars & cameras if you have them. You could also use any pictures taken to enter into our 2025 QMP photography competition. £150 to the winner.

photo.comp@friendsofqueenmaryspark.org.uk.

We ask please that you do not bring dogs on this walk – although we do love them in the park – as their natural enthusiasm might be a distraction for the birds & other things we are hoping to see.

If you want to learn more about Doug's interests in nature before the walk you can follow him on Instagram and visit his website.
